2012 Vintage: 2012 was very close to winter frost, very close to spring frost and spring drought. It was one of the hottest in the summer and the harvest finished before autumn started. Because of the balanced growth of the vines and good planning of the harvest we successfully overcome all the weather difficulties. The crop was 10% lower than expected but of excellent quality. Because of high daily temperatures we had to pick the grapes early in the morning to get them cold into cellar.

Winemaking: We harvested Chardonnay on 7th and 8th of September. Only clean and perfectly ripe grapes were picked into small 12 kg perforated bins. Destemmed and quickly pressed grapes. Juice was cold settled for 12 hours and partly racked into one year old barriques - 10%. The rest was cold fermented in stainless steel. Twice a week lees stirring, no malolactic fermentation and no fining. After five months the wine was blended carefully, filtered and bottled in March 2013.

Taste: Distinctive tropical fruit aromas on the nose. Vibrant acid gives structure and makes this wine nicely balanced with long and full flavour. Wine has high ageing potential.
